

Great Ohio Coaster Club Presents: A New Post-CoasterMania Tradition

Take a spin with us on Sunday June 6th, 2010

WhirlyBall is a combination of basketball and hockey, using a machine you're more apt to see at an amusement park. 2 teams of 5 attempt to take a whiffle ball from one end of the floor to the other and hit a 15-inch target cut out of a backboard that is suspended about 10 feet above the floor. It could be the most fun 15 minutes you've ever had!

At 4 games per hour, everyone should have the opportunity to play at least

2 or 3 games. The more people we have, the more time we can play. So, invite your friends!

Due to there being a non-refundable deposit, we will not be making the reservation until we know how many people can come. The amount of court time

and number of courts will be based on how many people we get to register. For every 15 people that register, we will reserve 1 hour of court time. If we get more than 45 registrants, we will try to get 2 courts. If for any reason we do not get enough registrants or if a court time can not be reserved, any checks that have been received will be returned.
